Square dancing is the official folk dance of New Jersey and gives people the opportunity to spend time with a warm and friendly group, make new friends, and get low impact aerobic exercise all at the same time. It’s a great way to keep mentally and physically fit! The instructor, Ed Kerns, has taught hundreds of people to square dance in an enjoyable, fun-filled setting. He begins with simpler “calls” and then progresses on to those of more complexity, stressing repetition and review for ease of learning. After the 12-weeks students will be able to dance at special area dances, and after graduating will be able to dance the mainstream program at the many area square dances and join the Flutterwheels at bi-weekly Friday night dances at Echo Hill.
