**NATURE CLUBS**

**FALL NATURE CLUBS  
for KIDS AGES 3 – 3<sup>RD</sup> GRADE**

Our popular nature clubs will introduce your child to many exciting nature topics. Park Naturalist Laura Kroon Bush will guide the children during hikes as they discover the diverse field, forest, and pond habitats at Echo Hill. Other hands-on activities include science experiments, field games, and take-home craft projects. The children will be able to observe the subtle changes from week to week as we progress through the season. Through our explorations, children will also sharpen their attention to detail as we observe the colors, shapes, textures, and sounds of the natural world.

**This year we are offering Sessions A and B for ages 3 to 5 and Session C for kindergarten through third graders. This is a drop-off program.**

Please be sure to dress your child for the outdoors so that the whole group will be able to enjoy our lessons fully. We strongly recommend old clothes and sneakers/boots that can get dirty. Nature Clubs meet rain or shine. In inclement weather, we shorten our outdoor adventures to spend more time indoors.

**TOT WALKS**

Echo Hill, ages 2 to 3 with adult, each walk is \$3 per child; accompanying adult attends for free. Join Park Naturalist Laura Kroon Bush on these early adventures to discover nature at your local park! Leave the strollers behind as we take a walk outside to see plants and animals around us. We will use our senses to focus on each theme. Each one-hour program will include a walk and an indoor time of a story and craft. This fall we are offering four sets of walks, each set of the same theme. Please select Session A, B, or C. Sign-up for one, two, three or all four themes!
