

About Deer Path Park

When Alois and Berta Batz bought a 122-acre farm in 1952, they envisioned it as a family retreat for visitors to enjoy. They constructed a bathhouse, boathouse, and a playground. In 1968, they established Deer Path Camp for children. Retiring from farming, the Batzes converted tractor storage sheds into shaded picnic sites and a corncrib into the camp's office and nurse's station. For \$25 a week, children from ages 5 to 13 could participate in swimming, boating, horseback riding, archery, tennis, and more. An estimated 125 children attended the camp each year.

The county acquired the property in 1977 for use as an active park. Deer Path Park, which officially opened in 1985, provides a wide diversity of recreational activities for the public.

Fitness and Running Trails

The one-mile fitness trail consists of 15 different exercise stations. The stations offer a balanced program of strength, endurance, and coordination exercises.

An additional two miles of trails are available for running or walking. **Pets must be kept on a leash at all times, and owners must clean up after their pets.** There is also a one-mile designated horse trail.

Deer Path serves as the home course for the Hunterdon Central Regional High School cross-country and track teams. During the winter months, these trails are available for cross-country skiing and snowshoeing.

The Hunterdon County Division of Parks & Recreation is dedicated to preserving open space and natural resources, providing safe parks and facilities, and offering educational and recreational opportunities, all contributing to an enhanced quality of life for present and future generations.
