RAINY DAY CONCERT INFORMATION IS JUST A "CLICK AWAY!"

We try our best to hold our concerts outdoors, but sometimes weather conditions dictate that we move inside. These decisions are made during the late afternoon of each concert day. The quickest way to find out this information is to go to our County website: www.co.hunterdon.nj.us. If the internet is not accessible, please call the Park Office and listen to the recording after 4:30 PM by dialing **(908) 782-PARK (7275)**.

All indoor concerts will be held at Hunterdon Central High School, 84 Rt 31 Flemington NJ 08822

HAVE FUN, BE SAFE, AND BE CONSIDERATE OF OTHERS

Our concert series has always been a family-oriented program. Please be considerate of your neighbors, so that everyone may enjoy the music and the natural surroundings. If you smoke, make sure the smoke does not bother anyone else. Please keep children in sight at all times, so that their safety is assured and their play will not disturb others.

Please remember that some of our guests may be afraid of dogs, so please observe our park leash and litter pick-up laws, and keep pets under your control at all times.

Please note - alcoholic beverages are not permitted!

POSSIBLE CLOSURES DUE TO AVAILABLE SPACE IN DEER PATH PARK

Our stage is situated in front of a large, open field to accommodate lawn chairs and blankets for our audience. Additional fields will be made available for use as parking lots for each performance. There are evenings when we may need to close Deer Path Park, simply because we might fill lawn seating and/or parking spaces. Please make every effort to carpool with your friends and neighbors. There are four very good reasons to help out:

1. You'll get to visit with your friends;
2. Fewer cars help reduce your time needed for parking before and after the concert, due to traffic;
3. More people can enjoy the concert and
4. If we all pitch in we can save some fossil fuel and lessen the amount of pollutants entering our air!

Thank You To Our Friends and Sponsors

Full Count Big Band

The Full Count Big Band is a seventeen piece orchestra that has been performing together for over a decade. A professional group whose music is eclectic, not just nostalgia. Although the term big band is most closely associated with its heyday of the Swing Era (1935-1945), it is a genre that has existed from the 1920's and continues to this day. With a musical library of over five-thousand arrangements, Full Count provides an eclectic mix of music ranging from the Swing Era classics to more contemporary jazz music, Latin, rhythm & blues, funk and rock. Regardless of the musical style the instrumentation of saxophones, trumpets, trombones and rhythm provides unrivaled zharmonic and rhythmic excitement.

Amish Outlaws

The Amish practice a tradition called "Rumspringa" (running around) at 16 they can live free of the strict Amish code before deciding if they want to be baptized into the Amish church. Surprisingly, virtually all of the youths return. But sometimes they don't. Four of the original six members were born and raised in Lancaster, PA and had a strict Amish upbringing. No electricity from land lines, no alcohol, no musical instruments, but their spirits were too wild for the Amish lifestyle. Once they trampled in the Devil's Playground, there was no turning back. Since Rumspringa, the Amish Outlaws have become well acclimated to the pleasures and vices of the modern world... music, most of all. From Johnny Cash, JayZ, Lady Gaga to Bon Jovi & Elvis they will entertain you!
