Two camp participants will be paired up together, given a calf for the week, and learn how to wash, clip, and properly handle the calf for a show. Families of each participant are invited on the last day of the camp to watch each child present their calf in the show. In addition, they will make ice cream, milkshakes, and butter, milk a cow, go on hayrides and nature hikes, play farm games including scavenger hunts, relay races, water fun and much more! They will witness real, daily farm chores and possibly even see a cow give birth.
