Public Invited to Review Draft Strategic Parks and Open Space Plan

The County of Hunterdon invites the public to attend a visioning session to discuss and review the first draft of the Strategic Parks and Open Space Plan for Hunterdon County. The meeting will be held on **Thursday November 17th at 6:00 pm in the Freeholder Meeting Room, 2nd Floor Administration Building, 71 Main St., Flemington.** Everyone is welcome and encouraged to attend. The purpose of this meeting is to actively invite public participation and involvement in the next step of the planning process.

The Strategic Plan will guide the County in current and future parks and recreation provisions to determine how the current systems effectively serve the community. The current draft was derived from a public outreach effort that included numerous focus groups, a public survey, and stakeholder input. Additional information including a copy of the draft plan can be found at www.co.hunterdon.nj.us.

The County hired Maser Consulting to assist with the strategic planning process. Maser has been assisted by a nationally-known parks and recreation management consulting firm, GreenPlay, LLC, whose home office is in Louisville, CO. Any questions regarding the Plan or the Public Meeting can be directed to Bill Millette, via email wmillette@co.hunterdon.nj.us or phone: (908) 788-1490.

Our mission is to enhance the quality of life for all Hunterdon County Residents
