**Hunterdon County Freeholders to hold Board Meeting 'On The Road'
In East Amwell, June 19th at 5:30pm**

The Hunterdon County Board of Chosen Freeholders will be on the road again, holding its June 19, 2018 regular meeting at 5:30 pm, at the East Amwell Municipal Building, 1070 Route 202/31, in Ringoes.

The meeting will be the ninth time since 2014 that the Freeholders have moved their regular meeting out of the Flemington Administration Building to a local setting.

Freeholder Deputy Director Suzanne Lagay said, "Our experience is that holding meetings in our various municipalities is well received by the public. It brings County government to our local areas, gives the public a better chance to know what their county representatives are doing, and to engage with us."

The Freeholders have been on the road with meetings in Hampton Borough, Lambertville, Tewksbury, Raritan, Frenchtown, Delaware, and Holland Township twice beginning in September 2014.
