

# TechTalk: Camera App for Apple iOS Tablets & Phones

Taking a photo with your Apple iPad or iPhone using the Camera App? Seems simple enough. But have you ever fumbled your way through this process and found that you missed the perfect shot?

This TechTalk will feature a demonstration of the native (built-in) iPhone/iPad Camera App. Learn about the controls that go beyond the zoom and shutter button. Understand how to compose the photo you want and discover how to access the features you may not have realized are there. Examples include:

Regular, Panoramic, Slo-Mo, Time-Lapse, Live Photos • Zoom in/out  
Video Recording • Flash, Grid, Timer controls • HDR (High Dynamic Range)  
Face Detection • Photo size selection • Special effects • Screen gestures

This TechTalk will “focus” exclusively on the Apple iOS Camera App. Please note that there are differences between Apple iPhone/iPad and iOS versions. We will attempt to demonstrate the common-most features. Saving, syncing, sharing and categorizing photos will be featured in future TechTalk sessions.

Date: Friday, September 29th

Time: 12:00 – 1:00 pm

Location: Hunterdon County Senior Center

Suggested Donation: \$2 per person

Open to Hunterdon County residents age 60 and over. Seating is limited and pre-registration is required by Wednesday, September 27<sup>th</sup>.

To Sign-up, call (908) 788-1359 or email  
[scrabtree@co.hunterdon.nj.us](mailto:scrabtree@co.hunterdon.nj.us)
