

HealthEASE

Move Today

This program was developed by Marjorie Bissinger, MS, PT through a grant from the New Jersey Department of Health and Senior Services. This is an “evidenced-based” program with proven outcomes and emphasis on balance and posture with strength training and flexibility using resistance bands. Both sitting and standing exercises. Resistance bands and manual are provided. Learn to safely bend, relieve tension and stress, reduce risks of falls and injury. Use these techniques in your everyday activities. Reduces risk of Osteoporosis. The program uses participant measurements at the first and last class to measure outcomes.
