

Hunterdon County Senior Center
&
Rutgers Cooperative Extension Master Gardener
of Hunterdon County present:
Gardening for Wildlife

Join us for this informative and educational talk by
Master Gardener Lisa Parent

Transform your garden into a haven for native species! Instead of buying bird food, use native plants to feed the pollinators which will, in turn, feed the birds.

We will focus on plants that thrive in our County.

On Monday, June 12th at 11:30 AM
At the Senior Center in Flemington

Pre-registration is required by June 9th
