"The Board of County Commissioners may by resolution make, alter, amend, and repeal rules and regulations for the supervision, regulation and control of all activities carried on, conducted, sponsored, arranged, or provided for in connection with a public golf course or other county recreational, playground, or public entertainment facility, and for the protection of property, and may prescribe and enforce fines and penalties for the violation of any such rule or regulation."

These rules and regulations have been promulgated for the protection of our patrons and for the facilities and natural resources administered by the Hunterdon County Division of Parks and Recreation.
