**‘Thank You’ Ceremony For Additional State Funding Awarded To Planned Full-Time,
County Vocational School At North Hunterdon Campus**

A ‘Thank You’ ceremony for Legislative efforts to secure additional funding for the construction of Hunterdon County’s first, all-day vocational training school, will take place on Wednesday, August 23, 2023, from 2:30-3:30 PM at the Polytech Careers Café, located at 10 Junction Road, in Flemington.

The recently passed New Jersey State Budget contained a line item allocating an additional \$3 million in funding, to address the increase in costs related to the project due to inflation in construction costs. The new Polytech facility will be located on the North Hunterdon Regional High School campus, in Annandale.

Members of the Hunterdon County Commissioners Board, along with local Legislators and members of the Polytech School Board will be present at the event and available for questions regarding the school’s expansion project.
