### **Hunterdon County's 20<sup>th</sup> Anniversary September 11<sup>th</sup> Remembrance Ceremony Honoring First Responders And Those Who Perished That Day**

Hunterdon County's 20<sup>th</sup> Anniversary September 11<sup>th</sup> Remembrance Ceremony, hosted by Sheriff Fred W. Brown, is scheduled for 8:30 am sharp on Saturday, September 11<sup>th</sup> at the county's Historic Courthouse on Main Street in Flemington, featuring special guest speaker Dr. Jean Kanokogi, a September 11<sup>th</sup>, 2001 First Responder and Hunterdon County resident.

The county's September 11<sup>th</sup> ceremony will remember those who perished from the terrorist attacks, particularly the sixteen Hunterdon County residents lost that day, and will honor county First Responders who responded to the scene of the attacks on September 11, 2001.

Dr. Kanokogi will share her experiences at Ground Zero publicly for the first time in the county she calls home. As a First Responder, Dr. Kanokogi is sharing her story in the hopes that it brings closure for herself, and fellow Responders.

The public is invited to attend and all First Responders from Hunterdon County are encouraged to attend.
