Workshops For Career Seekers In Hunterdon And Somerset Counties Offered

The Greater Raritan One-Stop Career Center in Somerville is hosting a series of [Jersey Job Club Workshops](#) in August. These workshops will be virtual, through Zoom, but a limited number of seats are available for in-person attendance at the One-Stop Career Center, located on 75 Veterans Memorial Drive, Somerville.

Paul Grzella, the Greater Raritan Workforce Development Board (GRWDB) Director attended the August 2nd Commissioner Board meeting and updated the Board on the Summer Youth Employment Program, Pathways to Recovery, American Rescue Plan funding to support in-demand training at Raritan Valley Community College and highlighted that several Hunterdon County businesses attended the last job fair.

Commissioner Jeff Kuhl, the Board's GRWDB liaison, commented, "COVID-19 has caused a great deal of employment challenges locally and across the country. The programs, job fairs and general employment assistance available for Hunterdon and Somerset County residents is essential to ensuring that workers have access to needed job skills training, can stay current with technology, and learn about local employment opportunities."

The partners in the Greater Raritan One-Stop Career Center have the expertise and knowledge to help job seekers achieve success. In Jersey Job Club workshops, a Greater Raritan One-Stop Career Coach leads one-hour to 90-minute-long discussions on topics aimed at assisting job seekers in Hunterdon and Somerset Counties.
