BLOCK 33 LOT 1
STATE HWY 31
TOWNSHIP OF RARITAN

While all subdivision applications are required to be submitted to the County Planning Board, only those which affect County Facilities require County approval. Staff has been authorized to determine which subdivision and site plans do not require County Planning Board approval and has also been authorized to notify the affected municipalities. As members of the Development Review Committee, we hereby ratify the Non-County determination made by staff of those applications contained on the list of Non-County Applications.
